Volunteer Opportunity with New Voice Language Academy

New Voice Language Academy in Lunenburg is looking for volunteer summer student ambassadors to help us during our Summer Youth Camp in July and August. During these months, we run a summer ESL camp program for international students who are looking to better their English. As youth ambassadors/summer camp volunteers, students would work directly with NVLA staff and camp counsellors to assist in a variety of ways, such as helping with camp activities, joining camp excursions, or just hanging out with the international students and speaking English with them. It's a great way to meet new people and make lasting friendships! with people from around the world. If interested contact Erin Murley at 902.634.6111 or erin@nvla.ca
